

PRESS RELEASE

Reno de Medici S.p.A. announces entry into a new €50.0 million facility

MILAN (ITALY) – November 6, 2025

Reno de Medici S.p.A. (“**RDM**”) announces today that its direct subsidiary RDM Barcelona Cartonboard, S.A.U. (“**RDM Barcelona**”) has entered into a facility agreement whereby a lender will make available to RDM Barcelona a euro term loan facility in an aggregate principal amount of €50.0 million (the “**Facility**”), subject to certain customary conditions precedent.

The Facility is expected to mature on the date which is nine months after its utilization, and may be extended to the date that is twelve months after its utilization, subject to certain conditions. The Facility is expected to be repaid with proceeds from the sale of certain assets related to discontinued operations, which the Company announced an intention to close in January 2025.
